

KATHARINE MCLENNAN AWARD

Background

Katharine McLennan was well-known across Cape Breton Island for her dedication and work towards many causes which supported community and the preservation of history. Throughout her life she was an active member of the Red Cross, Girl Guides, Old Sydney Society, Cape Breton Regional Library Board and the Victoria Order of Nurses. Ms. McLennan, along with her father, Senator J.S. McLennan, strongly advocated for the designation of Fortress Louisbourg as a National Historic Site, and conducted many years of research towards the eventual partial reconstruction of the Fortress site. Ms. McLennan was named Honorary Curator of the Fortress Louisbourg Museum in 1936, in recognition of her many contributions to the establishment of the Museum.

Katharine McLennan exemplifies volunteerism. Dedicated and hard-working, Katharine believed in the ability of individuals to make a difference in their community. She gave freely of her time to improve and aid the community in many different ways. In addition to her volunteer service, Katherine was an accomplished artist, using painting and photography to capture current events.
